FAMILY ENTERTAINMENT AT ITS FINEST...CIRCUS VARGAS 2008 IN LANCASTER!

CIRCUS VARGAS 2008!

Surely one of the most enjoyable and memorable editions of Circus Vargas to date, this latest production of Tabares Entertainment blends in perfect harmony highly skilled professional circus artistry and slapstick vaudevillian comedy.

If "laughter is the best medicine," then this year Circus Vargas is dishing out a heaping spoonful! The *perfect prescription* for any case of the blues or doldrums...expect an upbeat, high-energy, action-packed combination of comical relief and extreme sports!

This show definitely focuses on the FUN Factor! An elegant display of strength, speed, grace and dexterity mixed with an overall ambiance of humor, foolishness, and drollery! Add in a little sawdust, some spotlights, beautiful music, and the intimacy of the big top and you have the magic recipe...Circus Vargas 2008!

Don't miss the Pre-show Peek! Prior to every show, Jon Weiss will be front and center welcoming the audience and inviting all the children into center ring for a close-up look at life under the Big Top! Everyone is encouraged to join Jon as he guides them on a quick crash course in circus skills such as juggling, feather balancing and hula-hooping!
